Dear Mr. Tricarico:

Attached hereto is an updated consolidated Ownership Report (FCC Form 323) for the referenced television facilities. A consolidated report is being submitted since the licensee or permittee entities of the referenced facilities share at least one common director. Accordingly, it is believed that a consolidated report will simplify the Commission's ownership files.

Since the attached consolidated report covers 13 television facilities, sufficient copies of this cover letter are being provided for inclusion in each station's ownership file. However, the master Ownership Report should be maintained in the KTBN-TV, Santa Ana, California file.
